Town Council Holds Regular Meeting

The regular session of Town Council was held on Monday, March 2nd, with all members present except Reeve Lyons.

Following the minutes of the previous meeting the following correspondence was dealt with:-

Two applications for caretaker for the parks were received; namely, Allan W. Churchill and Gordon Redmond. The applications were turned over to the Parks Committee for recommendation.

A letter from the Joint Planning Board Meeting held February 26th with Tyendinaga Township was filed.

It was passed by Council that the 1970 levy for Deseronto's share in the Napanee Region Conservation Authority in the amount of \$702.76 be paid.

The regular schedule of accounts was turned over to the Finance Committee for approval and payment.

Councillor Hamilton asked the views of Council concerning the erection of various signs, i.e. school crossing, watch for children, etc. Nothing was passed on the matter.

A letter was received from Don Simpson, Napanee, in regards to purchasing lots 67, 68 and 69 on the east side of Pearl Street. Council passed that this parcel of land be sold for \$500.00 with an agreement that a home be erected within a specified length of time.

Councillor Layfield advised council that signs 6' x 10' at the entrance and exit of Town could be purchased for the price of \$125.00 each.

Councillor Gordanier gave the monthly Police Activity Report for the month of February.

Councillor McCullough, Chairman of Property, presented a letter of offer to purchase the old high school property for the sum of \$3,000. The matter was left over until the March 16th meeting in order that the property committee may make a deeper investigation into the proposal.

A discussion arose again concerning merchants and their employees parking for extended periods of time on the Main Street, (business section). It was passed that the merchants be approached and requested to find alternate parking area other than the Main

Street, when leaving their car parked all day. If this proves satisfactory it will eliminate the necessity of passing a By-Law for two hour parking.

It was passed by Council that the following routine would be used for the disposal of (unclaimed) found property which has been turned over to the Police Department:-

1. Valued at \$5.00 and under -- returned to finder after 30 days.
2. \$5.00 to \$25.00 -- returned to finder after six months.
3. over \$25.00 -- disposed by Town Council after six months as they see fit.

Due to the shortage of fire-fighting equipment, Deseronto Town Council agreed that they would not provide fire protection for Tyendinaga Indian Reserve as of this date (March 2nd).

Council appointed Mr. Orville Brant as Weed Inspector for the town.

Council then adjourned.

Indian Affairs Now Under Citizenship

Responsibility for Indian Affairs will be transferred from John Yaremko, minister of social and family services, to the department of Citizenship under Robert Welch a cabinet spokesman said recently.

Mr. Yaremko's handling of Indian affairs was severely criticized last year.

He faced the biggest storm of his 19 years in the legislature last May when seven of the ten top officials of the Indian development branch resigned to protest government policies.

The cabinet spokesman did not say when the portfolio switch would be completed.

After the resignation last May opposition members said Mr. Yaremko's department had failed to spend \$1,000,000 of the \$1,400,000 allotted as the provincial budget for Indian programs in 1968.

Mr. Yaremko had said the province was hamstringing its Indian programs until Ottawa and Toronto decide whether the federal or provincial government has financial responsibility for Indians.

DESERONTO YOUTH WINS IN PUBLIC SPEAKING

At the Zone Finals of the Public Speaking contest held in Belleville last Friday, nineteen year old Bill Rendell, son of Gaynor Rendell, placed first in the Impromptu Speaking class. After ten minutes of preparation, Bill spoke on "Student Unrest" winning over five other contestants.

The Public Speaking contest is sponsored jointly by Ontario Hydro and the Ontario Public Schools Trustees Association.

This zone consists of seven counties, from Leeds to Northumberland-Durham.

Bill will go on to compete in the Provincial Finals, in Toronto on March 23rd.

Pentecostal Church News

The Deseronto Pentecostal Sunday School is conducting a teacher's training course this week. The theme is "Understanding the times of Christ". Certificates will be given to those who complete the course.

This past weekend, five Bible College students from Eastern Pentecostal Bible College, were in charge of the church services, including Mr. David Moore, a first year student, who is from Deseronto. These young people are an inspiration to our own teenagers. Not all young people these days are rioting, and wasting their time and everyone else's. Our College in Peterborough has over 200 students having had to turn 55 away as well. These are young people with a real purpose for living -- to please God.

St. Mark's A.C.W. Hold Valentine Tea

St. Mark's Anglican Church Evening A.C.W. held its annual Valentine Tea at the Rectory on Wednesday afternoon, February 18th.

Both the Rev. John R. Neal and the President Mrs. Reg Batt were at the door welcoming a fair crowd of local and district women.

A large arrangement of flowers gaily decorated the entrance of the hall. On the one side, the home baked goodies were attractively displayed on a Valentine Heart Cloth.

The Tea-Room was decorated with a large Valentine Heart of red nylon with white ribbon bow and red velvet grapes.

The Tea-Table, with its deep pink damask cloth, was centered with a silver basket and nylon net arrangement with red velvet balls and bows. At each side stood a lighted white candle decorated with a red bow, making a beautiful setting with its fancy sandwiches and tea cookies.

Appreciation of the Evening A.C.W. is extended to all their members for their assistance, and to all who patronized the tea and home baked sale. Also, to the Ladies from Point Anne and Shannonsville for joining with us on this, the first social function of the newly combined Parishes.

Napanee Boy Strangles In Curtains

An autopsy is being conducted in Kingston to determine the cause of death of a 12-year-old boy believed to have strangled when playing with curtains in his home here Sunday.

Timothy Doyle, son of Mr. and Mrs. Walter Doyle, became entangled in the curtains partitioning an upstairs bedroom, say Police.

His parents rushed to extricate him after he was found by one of the other Doyle children.

The incident occurred about 5:30 p.m. It was not immediately known if an inquest would be held.

Local and Personals

Mr. and Mrs. George Lyons of Lyons Superior Market entertained staff members and their families and friends at the Annual Staff Party at the Sun Luck Gardens in Belleville on Sunday.

Weekend guests of Mr. and Mrs. Jack Hamilton were Linda and Al Brohman and son David of Weston.

Melrose Girls Club

The first meeting of the 4-H Club "Focus on Fitness" was held on Tuesday evening, February 17 at the home of the leader, Mrs. Grant McLaren. Ten girls were present namely, Connie Stratton, Nancy Clarke, Carol Melburn, Pat Pascoe, Ann Bates, Betty Sutton, Margaret Sutton, Mary Ann Macfarlane and two taking their first club project, Debra Badgley and Jennifer Hinchey.

Carol Melburn was elected President with each girl taking a turn at recording the minutes and reporting to the paper.

The girls were given time to think on a name for their club and one will be chosen at the next meeting.

A list of handicrafts was presented and each girl can choose the one she prefers to work on, and will obtain material for same.

The balance of the meeting was devoted to a discussion and quiz on "Mental Fitness and Health" and "Travel Etiquette".

Each girl will bring to the next meeting a book she has read prior to this project and will give a short review of same.

The meeting adjourned following the Club Girl's Pledge.

February 15 to February 21, 1970.

Belleville Detachment

Last week officers of the Belleville Detachment of the Ontario Provincial Police patrolled a total of 10,807 miles of Provincial and other Highways. This was while working a total of 952 duty hours.

One theft, two break and enters, and thirty-five miscellaneous occurrences were reported and investigated.

There were twenty-two motor vehicle collisions reported and investigated. Two of these collisions resulted in a total of six persons being injured.

Forty-six charges were preferred under the provisions of

various Federal and Provincial Statutes.

Fifty-five warnings were issued for minor infractions of the Highway Traffic Act.

One request for assistance was received from another Police Department and assistance was given.

Officers spent a total of 31½ hours engaged in Court activities.

There were fifty-five convictions registered in Provincial Judge's Court.

The Belleville Detachment Accident Prevention Officer visited three schools and gave twenty-nine safety talks to 850 children.

A recent arrival at the Belleville Detachment is Gerald Briscoe. "Gerry", who is unmarried, joined us after completing his education at the Pembroke Collegiate Institute and spending some time with Westons Ltd. At 22 years of age, "Gerry" will be serving in the Ontario Provincial Police as a Probationary Constable for one year, during which time he will be marrying a young lady also from Pembroke.

PARENTS --

It is time to remind the youngsters of the dangers of the ice. The recent thaw may have caused weakening and other changes in the ice surface. You are advised to examine the condition of the ice where your children play.

Letter to the Editor

TO BE LOGICAL OR NOT --

I have a strong Conservative background. The strength of this past support centred around conservative support for private enterprise. The Ontario P.C.'s are now attacking the Federal government "White Paper" on the basis that it will destroy small private businesses. I concede that the P.C. cause is a noble one, but actions speak louder than words. I believe that this P.C. stand must apply to all businesses whether they be an individual enterprise or a conglomerate corporation.

The Ontario P.C. Equalized Assessment will attempt to evaluate Big City and Country pro-

perty equally. This may hold down, to a certain extent, Big City property taxes at the expense of greatly increased Country property taxes. Inevitably, taxes could drive the small farmer and the tourist operator off his own land!

The Ontario P.C.'s have instigated a policy of Centralized schools in favoured areas to the ultimate destruction of the less fortunate areas. The small business operator in the less fortunate areas will reap little of the P.C. Philosophy of supporting smaller economic areas!

The Ontario P.C.'s have instigated a policy of forcing smaller less developed townships into sub-division controls. Under these controls, a farmer or tourist operator will not be able to split and sell his positions without first asking and then receiving permission to do so. Red Tape will become so extensive that the small operator will virtually be

incapable of selling and, for that matter, giving away his own land as he sees fit and will be placed at the mercy of Big Business developers!

I cannot see how the Ontario P.C.'s can logically, on the one hand, fight Philosophically on behalf of small business and, on the other hand, instigate policies which will ultimately lead to his destruction!

Ontario apples.

Apple Butter
8 pounds apples

2 cups water
5½ cups granulated sugar
1 tbsp. ground cinnamon
1½ tps. ground cloves
1 tsp. ground allspice

Wash apples; do not peel or core. Remove stems and cut apples in quarters. Place in kettle with water, cover and cook until apples are soft. Rub apples through a sieve. There should be about 10 cups of apple pulp.

Combine sugar and spices. Add to apple pulp, stirring until sugar dissolves. Return to heat and allow to simmer gently for one hour, partly uncovered, stirring frequently. When thick, pour immediately into sterilized jars, and seal at once with melted paraffin wax.

WHAT NOT TO FREEZE

Not all foods can be frozen. While most foods freeze successfully, say home economists, Macdonald Institute, University of Guelph, check this list of what not to freeze.

Mayonnaise - or foods containing mayonnaise; custard pies; cream puddings, cream fillings; cream (but whipped cream can be frozen); cream cheese alone; gelatin desserts or salads, unless they are whipped; whites of hard-cooked eggs; salad greens

and vegetables that are eaten raw - lettuce, celery, radishes tomatoes, cucumber.

OBITUARIES

MRS. HENRY ALLPORT

In failing health for some time, Mrs. Annie Rebecca Allport, R. R. #1, Marysville, died in the Belleville General Hospital on Thursday, February 26, 1970, in her 91st year.

Mrs. Allport was born in Kingston, a daughter of the late Mr. and Mrs. Charles Pickering and had resided near Marysville for the past 24 years. She

formerly resided in Kadorat.

She was a member of the Gospel Hall.

Surviving are three sons, Fred and Charles Allport, of R. R. #1, Marysville, Norman and one daughter Beatrice Mae at home, one sister, Mrs. James (Effie) Bathgate, Toronto, three grandchildren and four great grandchildren. One sister, Olive and her husband Henry Allport are predeceased.

Mrs. Allport rested at the White and Morris Funeral Home Service was conducted in the chapel on Sunday, March 1 at two o'clock.

Entombment was in Deseronto Cemetery vault with interment in Flinton Cemetery in the spring.

Rev. G. P. Taylor assisted by G. W. McLeod of Perth, officiated.

The bearers were Clarence Davis, Norman Lavett, Alvin Maxwell, William Root, Reg and Ronald Badgley.

JAMES WILMONT SHARPE,

SR., of 67 Brant Street, Deseronto Ontario, passed away in Lennox and Addington County General Hospital on Monday, February 23 1970, following a short illness. He was in his 88th year.

Mr. Sharpe was born in Deseronto, a son of the late Mr. and Mrs. Phillip Sharpe, and had resided here all his life. He was a millwright by trade.

He was predeceased by his wife, the former Mable Hayes. He is survived by two sons, William of Detroit and James, of Deseronto. Also surviving are two brothers, Keith, Deseronto, Nelson, Detroit, and two sisters, Irene, Mrs. Stanley Miles, Detroit, and Lola, Mrs. Percy Brooks.

The funeral was held from White and Morris Funeral Home on February 26th.

Rev. Robert Jones conducted the service in the chapel and also the committal rites at Deseronto Cemetery. Representatives of the Town and Dept. of Justice formed a guard of honor at the Funeral Home.

Pall bearers were Keith, Clayton, Bert, Alfred and Murray Brooks, and Dick Bardy.

FRANKLIN LOFT

Following a lengthy illness, Franklin Loft of Shannville, Ontario passed away on February 25, 1970 at the Belcrest Nursing Home, Belleville, Ontario.

He was born 52 years ago in Windsor, Ontario, a son of the late Mr. and Mrs. Nelson Loft. He was educated at the Mission School on the Reserve and was a member of Christ Church. He also belonged to the Royal Canadian Legion.

He is survived by his wife, the former Iona Maracle, by five sons

Blaine, Gregory, Steven, Michael and Kenneth; four daughters, Mary Beth, Yvonne, Catherine and Cheryl Ann, all at home and one granddaughter, Wendy. Also surviving is one sister, Audrey, Mrs. Bruce Joyce, Deseronto.

Mr. Loft rested at White and Morris Funeral Home, Deseronto, where a Legion service was held on Friday, February 27. The funeral was at Christ Church on Feb. 28 at 2:00 p.m. Entombment was in Christ Church Cemetery with Rev. Cyril Betts officiating.

Pall bearers were Dalton King, Robert McIntee, William, Robert and Laverne Maracle, and Bruce Joyce. Flower bearers were George Gregg and Jack Maracle.

Lunch was served by the Ladies of the 6th Concession.

Beef Annual and Workshop

The Hastings and Prince Edward Beef Improvement Association have just put together plans for their annual meeting which will involve a two hour session in the form of a beef workshop. The event will take place starting with a noon-hour luncheon, naturally featuring beef, in the main course. The date will be March 19th, the place will be the Tops Motor Hotel, Belleville. Two speakers will be involved in the program. Dr. Julian, of the Regional Veterinary Laboratory, Brighton, is going to talk about herd health in the beef cow calf operation and problems appearing in beef cattle in the Quinte area. Then, Harvey Blackburn of Uxbridge is going to outline his beef crossbreeding program. This is a program he has followed for ten years and at this point it is largely a single cross operation but it has given him good results. Also included in the program will be a short slide presentation by Keith Gilbert on a trip to Iowa made in 1969 when he visited a large crossbreeding operation. This event is planned by the beef group. It should be pointed out that many of the members are involved in crossbreeding work and with the changes occurring in the Quinte area it is hoped that many of our dairy cattle operators who are interested in this will take part in the date. Tickets can be reserved at the county office in Picton and Stirling. The price per ticket is \$2.00.

Safety Device Warns If Brakes Are Faulty

A brake safety device, tried out on eight school buses, warned one bus driver four times in a month that his brakes were about to fail, the device's inventor said Thursday.

Jean Godin, 53, a former mechanic who now heads Hydraulic Safety Devices Ltd., of Maisonneville, N. B., said his device showed the driver the brake fluid in the master cylinder was below safety level.

When the cylinder is less than half full a red light flashes on the vehicle's dashboard, he said. This gives the driver about 90 seconds to stop before the brakes fail.

Mr. Godin told the Commons transport committee his Maisonneville plant, 35 miles south of Bathurst, has been in operation since January this year.

He had approached engineers at three major car companies, Chrysler, Ford and General Motors and was told the device would have to be marketed commercially for several years before it would be used as standard equipment in cars.

Mr. Godin said he developed the device after noticing many drivers involved in accidents were unaware their brakes had failed.

D.H.I.A. Annual Awards

The Hastings County Committee representing the four DHIA units planned three events for 1970. Two of these were workshops which have already taken place. The third one is still to come. It will be the annual noon-hour banquet when the awards are presented, recognizing progress in this dairy cattle program. The event will be held in Gilead Hall on March 18th starting at 12:00 noon. Special speaker on this occasion will be Ray Cunningham of the OFA. He is going to talk about what the White Paper on Tax Reform could mean to the farmer. There are certain implications that should be understood with respect to farm capital gains, farm corporation and inheritance proceedings.

This D.H.I.A. event is arranged with the tickets being sold by the Supervisors or the County office at Stirling. It is supported by the Hastings County Milk Committee. The cost of the tickets is \$2.00 and this allows the event to break even. The committee has to guarantee a designated number prior to the

event, so dairy farmers in Hastings County are urged to get their tickets early. There is a limited supply and they will be sold on a first come first served basis whether they are D.H.I.A. members or not. It is a public event.

THE USE OF VITAMIN "A"

Vitamin A is essential for growth and vision and helps assure resistance to infection. The first sign of a Vitamin A deficiency is night blindness.

Butter, whole milk, fruits and vegetables eaten in the quantity recommended in Canada's Food Guide would provide the

DESERONTO

We Deliver

To The CATHOLIC TAXPAYERS of HASTINGS & PRINCE EDWARD COUNTIES

A serious breakdown has occurred in the relationship between the teachers and trustees of your School Board. The situation is so grave that the future of Catholic Education in the two Counties is seriously threatened.

A major difference of opinion regarding the 1969-70 proposed salary agreement led to 89% of the teachers submitting their resignations to their Provincial representatives last November.

This action resulted in a mediation meeting being held between teacher and board representatives on November 23. The meeting proved most cordial and amiable and resulted in an agreement to set up a teacher-trustee committee whose duty was, in part, to examine and bring forward recommendations to the Board on the definition of levels (the definition of levels, or salary classification of teachers, was the major point in the dispute).

On the strength of this agreement the teachers' resignations were not filed with the Board on the legal resignation date of November 30.

On December 17 the teacher-trustee committee came to unanimous agreement regarding the main definition of levels.

On February 3, the Board announced that it unanimously rejected the teacher-trustee committee's recommendations on definition of levels for the year 1969-70. It is to be noted that the Board members who voted in favor of these levels in the teacher-trustee committee voted against them at the full board meeting.

The teachers believe that the Board in refusing to accept the Committee's recommendations is in breach of the spirit of the agreement reached at the mediation meeting of November 23.

They wonder if the Board's seemingly co-operative attitude of November 23 meeting was not a device to delay the filing of resignations with the Board beyond the legal resignation date.

They are of the opinion that they would be unfit to teach their pupils the principles of honesty and fair play if they did not stand up for their own rights and expect the members of the Board to honor their obligations.

J. KUCHINAK,
President of Provincial Ontario
English Catholic Teachers' Association

Let's Talk

BOWLING

A. Pynbuoy.

Hi Bowlers!! Well we have not been talking too much bowling during these past weeks; however, many good things have been happening and many more are in the future.

The Legion Men's team took the district finals by a good many pins. Bennett Brant, Albert Maracle and the gang took the Belleville boys into camp during this tournament and revenge was sweet for our boys. Congratulations fellows and good luck to you all in the next round to the play-offs. The Ladies Legion team is still in the lead after last Saturday's battle which was played at the Half-Way Lanes, out near Havelock way. The ladies had built up a good lead here at Lucky Strike Lanes last month in pin fall but did not do so good, however, as total pin fall is the main object. I guess the ladies are happy to be in the lead, but they vow that they will do better in the next round. Ladies, we are all rooting for you.

In other five pin leagues here at the Lanes, the race to the Finish line is starting to gather momentum and many team positions are changing from week to week. In the Read Mixed League it is the Strikers out front with 93 pts.; Wizards, 81; Knock-Outs, 75; Tigers, and Blowouts tied with 69; and, Ann Durkins Camaras with 71 pts. Some of the top "Keglers" are Gerald Brennan, 209 and Pat Roach, 206 averages. Other good shooters are Ann Durkin, 226 single, Marion Doran, Harold Pascoe, Ron Callaghan, Dolly Walsh and Rosemary Roach.

In the Marysville League, scores for the past week were, Carolyn Sexsmith, 302-677 triple; Chas. Brennan, 253 and Ambrose McCambridge, 701, triple. The Tigers are in front with 93 pts., followed by Gang-Busters, 78; Fire House Five, 69; Hill Billies, 62; Dusters, 74; and, Stampeders, 66.

In the Friendship League last week Carl Tinney bowled high with a 365-917 triple and that is darned good bowling in anyone's league. Phyllis Thompson had a 296; "Syl" Kimball a 755 triple. As the thirties is just a couple of week's old The Hippies and the Evereadies are tied with 12 points each, followed by the Stampeders with 9; Hurricanes, 7; Cyclones, 2; and the Hopefuls

are hoping to improve their standing from the point of zero, this coming week. Other top bowlers in the League are Don Armistage, Dennis Layfield, Al Fraser, Jack Layfield, Don Whitton and Jerry Fawc. These boys are all shooting over the two hundred mark average. The ladies who are bowling well over the 180 average mark are Kath Fraser, "Syl" Kimball, Muriel Kimmett, Phyllis Thompson and Helen Fox.

Last week a notice was given out to all league executive and we think that it will bear repeating, quote, "On April 5th at 2:00 p.m. until 10:00 p.m. the Annual Holt-Hellewell Trophy Show will be held at Lucky Strike Lanes for the viewing of all types of trophies and prizes for the 1969-70 season". April 5th is the first Sunday in April and all trophies, etc. will be delivered on time for the banquets.

Well Bowlers, the tournament trail for bowling is well under way now, many entry forms are in the hands of many players and many teams are entering many of these fine tournaments. Just this past week-end the Annual Corby's Ten Pin Tournament was completed with the top prize of \$500.00 at stake. Many teams from as far away as London, Toronto, Kingston, Barrie, Hamilton and many towns and cities from southern Ontario competed, and, of course, from our town too. And the Winners?? Congratulations to Baz Auto from our lanes on the winning of this tournament. Fellows you did tremendous and we are proud of you all. The two other teams from our lanes who did enter this three week-end tournament did not do so good; in fact, to coin a phrase from some of the players "We bowled like a bunch of bums" and therein lies the story. Baz Auto did a bang-up job and under adverse conditions although these conditions were certainly not in any way the fault of the tournament director or the lane management. It was just the break which, of course, was bowling the last game in part all by themselves due to the fact that the other bowlers in the double and singles events got finished before the team event. Maybe it was better that way. Who knows? A lot of bowlers prefer this condition. Anyway the pressure must have been great

and the scores of people watching and cheering all goes to put the excitement in the wonderful game of bowling. So to Mr. Easterbrook, owner and sponsor of this team of champions, and to Captain Wayne Cassidy, Sheridan Maracle, Al Clarke, Charlie French, and Willie French, from all the bowlers in this area, Congratulations for bringing to our town the 7th Annual Corby Championship. From all the teams in this area our thanks to Randy Leween and his staff for a well conducted tournament.

The tournament house round dates for all qualifiers, both in five-pin and ten-pin bowling are as follows - March 7th and 8th, (that is this week); then again on the following week-end, March 14th and 15th.

The Ontario Indian Tournament will be played in Wallaceburg this year on May 23rd week-end. We will have more about this and many other tournaments next week. So, so-long until next time.

MELROSE U.C.W.

A joint meeting of the afternoon and evening units of Melrose U.C.W. was held in the basement of Melrose church recently with an attendance of 16.

Mrs. R. Badgley conducted the worship service after which a business period followed the reading of the minutes.

The group accepted an offer to cater to a wedding August 15. Further arrangements will be made at the May meeting.

The matter of a bus trip to Ottawa during tulip time was considered and information regarding transportation will be obtained by a committee.

The World's Day of Prayer will be observed in March and invitations will be extended to surrounding organizations.

The treasurer reported that the net proceeds from catering to the Scout banquet, at Masonic Temple were \$208.60. This amount with the balance on hand at the end of 1969 gave a total of \$744.90.

The President, Mrs. N. Demille, welcomed Mrs. Harrison, the guest speaker for the evening and her friend Mrs. Colden, to this meeting. Mrs. Harrison, as literature secretary of Belleville Presbytery, recommended a number of books for use in the worship service and chose to read excerpts from same.

Mrs. Harrison, with her accordion accompaniment, led in a sing-song of familiar hymns following which she operated the projector and presented a film on Narcotic Addiction.

Mrs. D. Lazier made a money presentation to Mrs. Harrison and thanked her for the effort she made to be present at this general meeting.

An announcement regarding the year's meetings of the combined units was made. Mrs. K. McMeenan gave a short reading and the program concluded.

Lunch was served by the lunch committee and a social time was spent over a cup of tea.

March is Red Cross Month in Canada

HIGH SCHOOL PROPERTY SOLD TO DEVELOPER

At a special Council session held on Monday evening, March 9th a transaction was completed between the Town of Deseronto and Mr. Kugler, of Personna Construction Ltd., of Unionville, Ontario for the purchase of the old High School property on Thomas Street.

The property, which is 264' x 220' was sold for \$7500.00 - with several conditions applying. One of these conditions is that Mr. Kugler will begin construction on the old building, transforming it into eight apartments with an area of 1200 to 1400 sq. ft. each within six months of April 1st, 1970. Mr. Kugler expects to begin work within three months.

Included in the transaction was an option to purchase the ball field, within one year, for an additional \$7500.00 with an agreement that he construct five houses within 2 years of the installation of town sewers. The property can accommodate up to twelve homes.

The property was originally designated for recreational purposes but council felt that they could not stand in the way of progress and development which is so desperately needed in this area.

Thurlow Twp. To Provide Fire Protection

The Township of Thurlow has agreed to provide fire protection to the west side of Tyendinaga Township from Lot 1 to Lot 21 inclusive. The telephone number to call is 962-5500.

The east half of the Township is protected by the Town of Deseronto until August 25th, and the number to call there is 396-2442.

To assist in fire fighting Tyendinaga has a 1,000 gallon tanker truck equipped with intake and discharge pump and hose.

In September 1969, the Township was designated an area of Subdivision Control. In effect the approval of the Community Planning Branch of the Department of Municipal Affairs and the Township Council is required before a part-lot can be sold. To date, eleven applications for consent have been received. Two applications have been approved and the remainder are pending.

The Township Council standing committees for the year are: Road- Leonard Walsh, Chairman, William Cooney and Reeve Carman Gibson.

Finance- George Blatherwick, Chairman, Charles Long and Reeve Gibson.

Property- Charles Long, Chairman, William Cooney and Reeve Gibson.

Planning- William Cooney, Chairman, Leonard Walsh and Reeve Gibson.

Effective March 1st this year, the interest on unpaid taxes was increased to one per cent per month in line with the increased cost of borrowing money.

Subject to the approval of the District Municipal Engineer, the Township road budget for the year is \$113,000. On the road programme for this year is the improvement to the approaches with flasher lights at the Canadian Pacific Railway crossing in Lot 6, Concession 1.

New Diploma Programs to be Offered At Loyalist

Introduction of five new diploma programs in the applied arts and business and technology divisions for 1970-71 were announced by Loyalist College on Monday.

The new post secondary programs, scheduled for offering in the full time day program will be available to students enrolling for the first time in September.

The programs, which have either been finally approved by the Ontario Council of Regents or given tentative approval, contingent upon sufficient enrolment have been developed in response to known student interests and employment opportunities in the Quinte-Loyalist Area and elsewhere in Ontario.

A two-year course in Early Childhood Education will provide a basic background in child care

and supervision for young women and adults who look to careers in this field with private and community organizations and social agencies which offer supervisory services and early education to young children.

Tourism, a major industry in the entire region is creating a variety of summer and year-round employment opportunities. Loyalist will be offering both three and two-year programs in Hotel, Motel and Restaurant Operation. Graduates will have opportunities to prepare themselves for positions in fast-developing operations associated with tourism and food service.

For the first time, a new two-year course will be offered for young men and women who are interested in obtaining education and training as law clerks. The course is approved by the Institute of Law Clerks of Ontario and prepares graduates for positions in legal offices as assistants and to become certified after taking the Institute tests for Law Clerks.

Developed as an extension to existing programs in agriculture technology and water science technician, Loyalist is including a two-year diploma course as Environmental Science Technician in its 1970-71 course offerings. Depending on the particular specialties students taking the program select, graduates will be able to meet employment requirements for jobs in food processing industries, manufacturing firms, farming or with agencies associated with pollution control for conservation authorities.

A two-year program for Construction Engineering Technicians will cover various aspects of construction - another growth industry in Eastern Ontario. Graduates will have the necessary background for initial employment and advancement through knowledge of material, contracts, building costs and other aspects of the building industry.

WALKATHON THIS SATURDAY

The Deseronto Minor Hockey League is conducting a walkathon this Saturday to help the players buy hockey jackets for themselves.

The junior players and coaches will leave the arena at one o'clock, and the senior play

ers and coaches at 1:45. Each coach is responsible to provide a car to follow the boys in case some need to be picked up. Mr. Don York is providing facilities for the ladies auxiliary to set up food tables to provide a lunch for the boys, and we appreciate it very much.

After their lunch, the hockey players will walk back to the arena - a total distance of ten miles.

Local and Personals

Mr. and Mrs. C. Brundige returned to Ottawa on Sunday after visiting with their relatives, due to the illness of Mrs. Brundige's parents, Mr. and Mrs. C.M. Luffman.

Corporal & Mrs. G.L. Hearn returned to their home in Matheson on Tuesday of this week. Mr. Hearn, Leslie & Allison were in town while Cpl. Hearn was on course with the radar section at the C.F.B. east west.

Mr. and Mrs. George Lyons and Mr. and Mrs. Harry Slingerland travelled to Toronto last Saturday and spent the night with the farmers' son, Mr. and Mrs. Francis Lyons. The next day they drove to Lockport N.Y. where they visited with Mr. and Mrs. Carl Berner and also visited Mrs. Frances Amely who is a patient in hospital there.

Recent Sunday guests of Mr. and Mrs. Freeman Maracle were their tenants, Mr. and Mrs. Tucker and family. Snowmobile rides were enjoyed by all.

coming events

The Stewards of the United Church are having a pie social and film in Stover Hall on March 17th at 7 p.m. Games afterwards. Admission: adults 75¢ children- 51-1c.

1970 Ontario Bull Sale To Be Held At Trafalgar

The 1970 Ontario Bull Sale will be held this year on Wednesday, March 18, 1970, at the Hays Sales Arena, Trafalgar, Ontario.

One hundred and seventeen bulls representing four breeds have been consigned to this sale by 58 Ontario breeders. The offering includes 83 Hereford, 17 Aberdeen Angus, 14 Shorthorn, and 3 Charolais bull.

In order to qualify for entry in this sale each bull must have been performance tested and must have achieved a minimum Adjusted Yearling Weight of 900 pounds. Thus this sale has attracted some of the best performance tested bulls in Ontario.

To further emphasize the importance of outstanding performance, the Martin Feed Mills (Elmira, Ontario) Challenge Trophy and cash award will be presented at the bull sale for the third consecutive year. This trophy, accompanied by a generous cash award, is given each year to the breeder who enters the bull with the highest combination of Average Daily Gain and Weight per Day of Age on performance test.

The sale will begin at 11:00 a.m. March 18, following a judging schedule, which will begin at 8:00 a.m. Hereford bulls will be sold first, followed by Shorthorn, Aberdeen Angus, and Charolais cattle.

Owners of purebred and commercial herds are encouraged to attend this sale as it represents the best opportunity each year to select herd sires from among a large group of performance tested bulls. All bulls entered in this sale are qualified for a grant under the Bull Premium Policy, of 20% of the purchase price up to \$150.

if purchased by an Ontario farmer.

Each year the Ontario Bull Sale attracts herd owners from every part of the province.

Appointed Hydro's Deputy General Manager

Ontario Hydro has announced that appointment of Douglas J. Gordon as Deputy General Manager.

Mr. Gordon, who joined Ontario Hydro in 1945 after service in the Royal Canadian Navy, has been assistant general manager—Marketing since April, 1964. Born in Brockville he received his B. Sc. in electrical engineering from Queen's University.

The new Deputy General Manager has held a number of important positions with the Commission and brings a background of administrative experience to the new post. He has been municipal service engineer, director of Consumer Service and executive director—Marketing.

Mr. Gordon is a member of the Association of Professional Engineers of Ontario, Toronto Electric Club, Toronto Board of Trade, and is Second Vice President of the Canadian Electrical Association.

OBITUARY

NATHANIEL SCERO

Following a lengthy illness, Nathaniel Scero of R.R.#1, Deseronto died in the Maple Haven nursing home in Belleville on Saturday, February 7th, 1970. He was in his 73rd year.

Born on the Tyendinaga Reserve he was the son of the late Mr. and Mrs. William Scero. He was predeceased by his wife the former Rena Brant, and is survived by one

Menu of the Week

St. Patrick's Potato Bake,
Buttered Green Peas,
Sliced Ontario Hothouse Tomatoes and Cucumbers,
Peppermint Ice Cream,
Crisp Cookies

Although St. Patrick was the Patron Saint of Ireland, everyone enjoys celebrating St. Patrick's Day and "the Wearin' o' the Green". What better way to celebrate, suggests the Food Council, Ontario Department of Agriculture and Food, than to serve your family a tasty St. Patrick's potato bake and buttered green peas.

Ontario hothouse tomatoes and cucumbers, available in increasing quantities now, make the perfect salad to round out

your salute to St. Patrick.

St. Patrick's Potato Bake

3 cups mashed potatoes.
2 cups flaked canned corned beef
or
2 cups flaked canned salmon
2 eggs, beaten until light and foamy
1/2 cup onion (finely chopped)
1 tsp. parsley, minced.
salt and pepper to taste

1. Whip mashed potatoes until fluffy.
2. Fold in minced corned beef or salmon, salt, pepper and parsley.
3. Combine above with beaten eggs, and beat until light and fluffy.
4. Pour into a buttered baking dish and bake at 350 degrees for 30 to 40 minutes.

Town of Deseronto BY-LAW NUMBER 1636 LICENCING OF BICYCLES

By-law Number 1636 was passed by the Town of Deseronto on September 15th 1969 in regards to the licencing and operation of Bicycles within the Municipality. The Licences may be purchased at the Deseronto Police Office at a fee of \$.50 each. Complete description of the bicycle is needed for the licence. In case the bicycle is lost or stolen, the description will assist the Police in the recovery of the bicycle.

By-Law Number 1636, Section 7, states: - "At no time is it permissible to ride a bicycle on the sidewalk in the Corporation of the Town of Deseronto." Licences are due February 15th of each year.

J.C. Reynolds
Clerk-Treasurer

Tyendinga East W.I.

The February meeting of the Tyendinga East W.I. was held at the home of Mrs. Grant Kimmerly on February 10, 1970 with an attendance of thirteen members and ten visitors. Mrs. Fred Keyworth, President, opened with the usual exercises and the Roll Call was answered with "My Favorite Kitchen Gadget". Minutes of January meeting were read and approved and several matters of business were dealt with. A discussion, re: dinner for ladies night, took place and the secretary is to make enquiries about this matter. Mrs. H. Kimmerly gave interesting facts about our Convention Area and then Mrs. R. Stafford, who was in charge of the program, introduced our guest speaker, Miss Nirmala (Mila) Lutchman Singh, a young lady from Trinidad who is attending Maira Secondary School, Belleville, and stays with Mr. and Mrs. Brooks Allen of Lonsdale. Miss Singh spoke on Hinduism and answered questions on life in her home country. She showed pictures of her family, a wedding, and a festival which takes place in February. Mrs. G. Kimmerly thanked her and presented her with a gift on behalf of the Institute.

The following program then was given:— Mrs. M. Withers, Reading, Look for the Uncertain Vitamin; Mrs. R. Stapley, Reading, Where's the Scissors?; Mrs. R. Stafford, Reading, The Legend of St. Valentine; and, contest, Kitchen Gadgets, Mrs. F. Thompson and Miss Aylesworth, winners.

A quiz on safety was given by Mrs. Stafford, and answered by all members. Mrs. Bruce Kimmerly won the lucky cup prize.

Mrs. Harold Kimmerly moved a vote of thanks to the hostess, Mrs. G. Kimmerly, to Miss Singh and Mrs. Stafford and all who helped make this a very interesting program.

The meeting was closed with the singing of the Queen and the Institute Grace, and the hostess served lunch assisted by the South Group.

Frozen Food Facts

Should prepared dishes like casseroles be thawed before heating? Generally, it is safer to heat these dishes without thawing, even though they will take longer to reheat. Home economists, Macdonald Institute, University of Guelph, suggest that when precooking casseroles for freezing, slightly undercook them so when reheating there is less tendency to overcook top or sides. If the casserole dish cannot withstand sudden temperature

changes from freezer to oven, do not preheat oven before putting the dish in the oven.

Freezer wrappings may be removed easily from frozen meat by immersing meat in hot water for a few minutes. Food experts, Macdonald Institute, University of Guelph, say that any surface color changes caused by this method do not affect the quality.

Ordinary butcher paper or waxed paper should not be used for wrapping frozen foods when they are to be stored for more than three days. These materials are not sufficiently moisture-proof, and can cause freezer burn and a lowering of food quality. The best freezer packaging materials, say home economists,

Let's Talk

BOWLING

A. Pynbuay.

During this past week the Bowl a-Prize tournament sponsored by B.O.A.C. in conjunction with all B.P.A.O. houses has been conducted at the local lanes and has yet to run this coming week-end again. Ten per cent of the total entry will advance to a regional final where the trip for two will be awarded, plus many other fine prizes. There will be prizes at the house round level for both five and ten pin bowling. In the front spot on the ten pin division with a 610 triple is Mary O'Neill followed by Marge Lange with a 573 triple. For the male side of ten pin bowling - well the men have not done anything spectacular as yet, of course there is this coming week-end to bowl & according to the entry board some of the big wheelers have yet to bowl. Mary is a first year bowler and is improving each week and if Mary continues to improve as she has done in the past, I won't wonder that she will be a nominee for the most improved bowler of the year. Marge would have made the charmed circle of 600 only for tow 7-10 splits in the 9 & 10th frame in the third game last week. My gosh that was tough luck.

In the five pin division of the tournament the top spot so far with a 842 triple is held by Myrtle McDonald on the Dizzy Dames League. Allan McLaughlin has the highest single so far of the tournament with a 312 - 827 triple. One of the winners from last year's tournament Jack McFarlane ran into head and corner pin trouble, but did come up with a respectable 755. Some of the big shooters in the five pin game have yet to roll this coming week-end, but they will have to be right on target to beat and come within the charmed circle of the 800 mark. So if you have nothing to do come next Sunday yet not stop in and watch some of the top area 5 pin bowlers in action. You may pick up a pointer or two.

As of March 9th in the ladies ten pin league, White & Morris girls are out in front with a total of 109 points followed by Stan Marek's Skyway Lounge girls with 105 pts. Merv Sherman's Mill St. Gas and Oil team is just one ½ point behind with 104½. Eli's Restaurant 88 pts; Lucky Strike Lanes team 74½ pts and Ideal Vendors with 71 pts. Some of the top pin getters for this league are

Donna Thompson, Dianne Brennan, Nora Tinney, Blanche Dettlor, Dorothy Walsmley and Jill Whitton. Pres. Donna Thompson has the high average for the season so far, plus high single and triple without handicap, while Pat Sexsmith has the high single and triple with handicap.

The race for the top spot seems to change each week in the mens ten pin league from Baz Auto to Ideal Vendors then back again. The most declining team in this league seems to be the Coin Laundry team. They have had only 1 point since Christmas and they seem to have gotten lost in the sands or else drowned in their own tub or something. But they say they will be in the play - offs and that they will take the silverware again this year as they have done in the past two years. Now I wonder as many more do - can they and will they? Maybe if they start to be "spare - pickers" It is said and has been said over the years "Get the spares, and the strikes will look after themselves" - which of course applies to all forms of bowling. We would like to add that it is easier said than done!

In the men's commercial 5 pin league and with only six more weeks to go it is still anyone's silverware as yet, at least any of three teams. Here is the point standing as of Mar. 8th - Ideal Vendors 122 pts; Canada Optical 115 Napanee Aces 114, Black Hawks 67½ Chuck's Lunch 60½ and Homer Shields of Picton 57. Here are some of the top averages in the League: Fred Bentley - 231, Jim Robinson 221, Sheridan Maracle 225, Doug Kirham 212, Gus Cormier 239, Ab Myatt 214, Carl Tinney 239; Allan Clarke - 232, Herb Thompson 214 and there are many who carry 200 and near 200 avgs. When a team rolls 3500 to 3600 and over for three games, there are not too many frames left not marked with a strike or a spare. It would be interesting to have the six top shooters take on some outside team some Sunday afternoon.

The special prize winners last week in the Friendship league: Phyllis Thompson, Bert. Coles for the high games, Judy Peal, and Larry Reuback for the low games and Wendy Simpson got the extra special prize.

The T.B.L. League players had a practise session a couple of

weeks ago and are rounding into shape for the Southern Ontario Indian Annual tournament that will be held in Wallaceburg this year. Over the past five or six years our bowlers seemed to have come second best each year to the Six Nations bowling teams. With more practise, and better spare picking we have no doubt that the trophy will come east this year.

Many leagues have already set their play-off dates for this season and many special events are on the planning board for this spring. Here are a few... a mixed couple handicap Deseronto to Championship for both 5 and 10 pins, and a beat the proprietor knock-out match for 10 pins and beat your average champion match, plus the annual Read vs. Marysville top championship match. Marysville League has had the trophy for the greater part of the time, maybe this year will be different?

Until closing time this summer we can all look forward to some real good fun in bowling.

Well, we'll be seeing you next week,

A. Pynbuay.

RED CROSS BLITZ

The local branch will hold their annual blitz for funds on March 16th, 1970. Campaign Chairman is Mrs. G. Walker. Any who would care to help with the work would be more than welcome.

Deseronto is associated with the Ottawa division. New members and any who could help with the sewing, knitting, etc. or with the blood donor comm., which is held in Napanee, or with Disaster & Welfare would also be welcome.

A loan cupboard is maintained for those who might need equipment for the sick room with their Doctor's orders. The work with senior citizens is carried on the year round. A collection at each meeting provides the funds for this work for cards & small gifts.

Due to illness etc. an election of officers has not been held this year.

Many people still need aid and the work of Red Cross still goes on, regardless of race, colour or creed. So remember the date when the canvasser calls. Dimes or Dollars will all help.

The Red Cross has been awarded the Nobel Peace Prize four times.

Town Council Holds

On Monday evening, March 16th, a regular session of Town Council was held with all members present. The minutes of the previous regular meeting were read, followed by the minutes of a special meeting held on March 9th for the purpose of negotiating and selling the old high school property.

The following correspondence was dealt with: Twp. of Tyn-dinaga - re ceasing of fire protection of the west side of the township. John W. Stimpson - re starting of upholstery business at 366 Main St. Metcalfe Foods - re asking to join the Deseronto sewer project. It was moved by council that the Town would carry on with their present sewer project and if Metcalfe Foods (Canada) Limited wish to join at a later date, that they may do so, bearing the added costs.

At this point Mayor J. W. Sharpe expressed his apologies for any embarrassment caused to council and Metcalfe Foods (Canada) Limited as the result of an article published in the March 16th edition of the Kingston Whig Standard. The article gave the impression of a distorted relationship between the Town and Metcalfe Foods. Mr. R. W. McDannold, General Manager of Metcalfe's, approached council stating that they were in no way trying to delay the present progress of the Deseronto Sewer System, but were working with Ontario Wa-

Regular Meeting

ter Resources Commission to devise a suitable system for disposal of their waste products which could be incorporated into the Deseronto Sewer System.

Appearing elsewhere in this edition is a letter addressed to the Kingston Whig Standard from Mayor Sharpe in which he clarifies the relationship between the Town and Metcalfe Foods.

Other correspondence included: Hisey & Barrington - re land for water treatment plant. Canadian Cancer Society - re requesting permission to canvass on April 13th. County of Hastings - re resolution for schedule of educational levy. Ontario Water Resources Commission - re petitioning of home owners on Fourth St. from Main to Water St. - re installation of sewer line. Deseronto P. U. C. - re an offer of \$1,000 for the purchase of the old town barn and property. The

offer was turned down with a letter to be returned stating the selling price would be \$1500. Reginald Wager - re purchasing two lots on Pearl St. - the matter was turned over to the Property Committee for their investigation. Deseronto Girl Guides - re requesting permission to sell cookies on Sat. Apr. 25th. Permission was granted. Deseronto Red Cross - re permission to canvass the week of March 16th. Permission was granted.

The regular schedule of accounts was turned over to the Finance Committee for approval and payment.

COMMITTEE REPORTS

Reeve Lyons gave a financial report for the month of February. It was passed by Council on a motion from Councillor Hamilton that Allan W. Churchill be hired as Park Attendant for approximately 26 weeks for a sum of \$60.00 a week.

A property committee report was given by Coun. McCullough at which time she stated that the old water tank would be removed in the very near future.

Councillor Brooks gave a streets report. Councillor Gordanier gave a Police Report stating that the two constables on the force have been appointed deputy conservation officers.

NEW BUSINESS

On motion from Reeve Lyons Council passed that the interest rate on tax arrears effective Apr. 1, 1970 will now be 1% per month. Previously it had been 2/3 of 1%. Reeve Lyons also gave a report of County Council happenings at the last session.

It was moved by Councillor Dickinson that solicitors, Cameron and Orr be contracted to set up a subdivisional control for the Town of Deseronto.

Attending council was a delegation of interested tax-payers who questioned council through their spokesman, Mr. Basil Easterbrook, on the selling of the old high school property which included an option on the baseball diamond. They felt that the field should be kept for recreational purposes. After much discussion, it was indicated by council that they could not stand in the way of development since progress is one of their main objectives.

Council then adjourned

BOYS COMPLETE WALKATHON

Those boys who completed the Walkathon for the Deseronto Minor Hockey League last Saturday are as follows: Bill Hubble, Kevin Baker, Jerry Bowers, Robby Kimmerly, David Jackson, Danny Simpson, Daniel Jackson, Russell Knight, Delmer Wannamaker, Wayne Wannamaker, Chris Murphy, David Murphy, Michael Marek, Barrett Foster, Danny Punched, Alfred Claus, Michael Vanalstine, Todd Keith, Peter Anderson, Chris Reid, Steve Hefernan, Tommy Jackson, Gary Coles, Brian Ruebeck, Louie Martin, Brian Layfield, George Caron, Steve Alkenbrack, Stephen Kemp, Richard Peck, Richard Keith, Karl Wager, Jay Hawley, David Layfield, Brian Brant, Dave Breault, Steve Jackson, Darrell Pritchard, Paul Beachesne, Brian Jackson, Ronnie Woodcock, Gary Rendell, Danny Brant, Dennis Hrytzak, John Cherneskie, Peter Reid, Ron Kimmerly, Donnie Woodcock, Dave Tustin and Cory Vick.

Local & Personals

Mr. Stuart Clute had the misfortune to slip on a piece of ice last Wednesday, when returning home from the post office. Although several people walked past him, it wasn't until Ronnie Allison and his sister Myrna Carpenter came along that he received assistance. They took the dazed Mr. Clute home, and a doctor was summoned. Mr. Clute, who will be 90 years old on Good Friday was badly shaken and received a scraped face, but was otherwise unhurt.

Coming Events

AT HOME

Mrs. C. Emmons, 101 Fourth Street, Deseronto, will be at home to her friends and relatives on Sunday March 22nd from 2 to 6 p.m. and 7 to 9 p.m. on the occasion of her 92nd birthday.

Euchre Party, Monday March 23, at 8:00 p.m. at the Shannonville Public School. Auspices Shannonville Home & School Assoc. Good prizes, Door Prize. Refreshments. Admission 50¢ 2-1c.

Baz Auto Ten Pin Team. Winners of the 4th Annual Corby's Tournament. Seated L to R - Wilfred French, Charlie French, Standing L-R: Sheridan Maracle, Al Clarke, Wayne Cassidy.

MAYOR CLARIFIES TOWN'S STAND

The following is a letter addressed to the Editor of the Kingston Whig Standard from Mayor J. Sharpe, clarifying the relationship between the Town of Deseronto and Metcalfe Foods (Canada) Limited. A telephone interview between the Mayor and a reporter from the Whig Standard appeared in the March 16th edition in which the Mayor's words were badly distorted, giving the false impression that the Town was not interested in co-operating with industry.

The Editor,
Kingston Whig-Standard,
Kingston, Ontario

Sir:

I would like to comment on the article in the Whig-Standard on Monday, March 16th, 1970. Heading as follows:

DESERONTO New Sewers will not serve water pollution industry.

This article was the result of a phone conversation between myself and one of your reporters, following a meeting between myself and the Ontario Water Resources Commission on Friday, March 13, 1970 in Toronto.

I will endeavour to explain the reason for the meeting and some of the facts of the conversation between myself and your reporter.

Deseronto Council received a copy of a letter from Metcalfe Foods (Canada) Limited to the Ontario Water Resources Commission requesting a re-study of our sewage programme in order that they might use our presently proposed facilities for their industrial waste treatment. I met with the Ontario Water Resources Commission as Council was concerned if this would in anyway delay our presently proposed project. Not because we did not want Metcalfe Foods (Canada) Limited to use our facilities. I did not say we would not serve the industry, in fact I recall saying that Deseronto Council would assist Metcalfe Foods in any way to help them solve their waste problem, but I felt that we should continue with our latest plans in order to get the present project under way. I did say it was unfortunate that negotiations had broken down with the former owner of Metcalfe Foods because the price quoted the industry was high in order to build a plant large enough to accommodate both the Town and Metcalfe Foods. The price for this plant was approximately \$400,000.00 not just for an addition to our presently proposed plant.

I strongly object to the way your article implied that I was not interested in the problems of

Metcalfe Foods Limited.

I would like to point out that this Company has been the means of support for a number of families in Deseronto for many years.

It was also stated that Ontario Water Resources Commission decided to have Deseronto continue as planned. Ontario Water Resources Commission does not make decisions such as this. I told your reporter Ontario Water Resources Commission had requested that if we wish to continue with our present plans to have Council request the Commission to do so by passing a motion in Council and send a copy of same to them.

I did say that I felt that we should continue with our present plans and that I was certain that Council would agree with me.

I asked Council Monday evening to pass a motion to request the Ontario Water Resources Commission to continue with our present plans without unnecessary delay and to state that we had no objections to Metcalfe Foods having a study made by Ontario Water Resources Commission to allow them to use our facilities at a later date. This motion was passed by Council and a copy of same will be sent to Ontario Water Re-

sources Commission and Metcalfe Foods.

I am pleased that Metcalfe Foods has shown interest in our sewage programme again as this no doubt means the industry wishes to expand and I once again state we will do our part to assist them and any other industries in every way possible. Our aim is to gain industry, not to drive it out. From your article it would seem that I am trying to drive a wedge between industry and the Town of Deseronto. I have spent 7 years on Council and it has always been my concern to see our Town develop. When I see reporting such as this I can only express my disgust. It was the finest job of distorting the facts that I have ever seen.

However I apologize to Metcalfe Foods for even discussing anything with your reporter concerning them. I strongly suggest you have a representative at our meetings once in a while if you are interested in the news of our Town. No doubt this kind of news sells papers, but it certainly is not good publicity and I will personally see that no source of information will be given to any one from your paper over the phone by me at anytime in the fu-

ture.

James W. Sharpe,
Mayor, Town of Deseronto

CLEANUP JOBS REQUIRE TWO

Cleanup jobs can kill.

Mr. Hal Wright, Secretary Manager of the Farm Safety Council of Ontario, reports that an Ontario farmer recently suffocated after being trapped under silage. The farmer was attempting to free the walls of frozen silage, when the rope supporting him broke.

Mr. Wright notes that at this time of year farmers should always have a second person nearby when this job is being done. Because of moderating temperatures, large chunks of frozen silage may fall on the worker. A second man on the spot could have prevented the recent fatality.

DESERONTO RED CROSS

The March Red Cross Meeting was held on Wednesday, March 11th, at the home of Miss Ruth Lloyd. Owing to sickness, there were only 6 members present.

In the absence of the President Mrs. G. Walker, Mrs. Claus presided for the meeting.

The meeting was opened by repeating the Lord's Prayer. The minutes of the previous meeting were read by the secretary, Mrs. P. Stuart, who also read the correspondence and thank you notes. Mrs. Griffiths gave the treasurer's report and the card report.

Miss Lloyd reported on sewing for women's work. Some pieces are still to be finished in order to get the shipment sent to headquarters; other pieces are out.

The date for the Campaign Blitz was set for March 16th, with Mrs. G. Walker in charge.

The report of work done in 1969 is as follows: 253 pieces of sewing; 2,360 swabs; 24 items from the Loan Cupboard, 361 cards sent; 69 Fruit Baskets for Christmas; and 80 guests for the senior citizens tea.

The 1970 slate of officers is: Pres. Mrs. S. Claus, 1st Vice - Mrs. L. Gordanier; Secretary, Mrs. G. Stuart, Treas. Mrs. J. Griffiths; Loan Cupboard, Miss Ruth Lloyd, Disaster & Welfare - Mrs. F. Transue, & Mrs. G. Robinson, Sr. Citizens and Cards - Mrs. K. Hood; Blood Clinic, Mrs. D. Dawson.

Mrs. Claus thanked the hostess and lunch was served. The April meeting will be held at the home of Mrs. P. Stuart.

Ladies Aid & W.M.S.

The Ladies Aid and W.M.S. meeting of the Presbyterian Church of the Redeemer was held on Thursday evening, March 12th at the home of Mrs. Albert Walker. Ten members were present. The meeting was opened by the president, Mrs. Kay Hood, with an Easter Service of Worship taken from the "Glad Tidings" Book. Others taking part in the devotions were Mrs. Blake Moore, Mrs. Charles Griffiths, and Mrs. Don McMillan. Some very interesting readings were given by Mrs. Walker.

For the business portion of the meeting, a rummage sale was discussed, but no date set - maybe the end of April or the first part

of May. Correspondence was read by the secretary, Mrs. Griffiths, which consisted of a Thank-you card and letter from "Camp Iona" committee. Mrs. MacMillan reported that the ladies had made 619 Easter eggs and nearly all are sold. Roll Call was answered with a Bible verse containing the word Resurrection, next month's with "Rain or Shower". Mrs. Percy Brooks will have the April meeting.

Following the meeting, Mrs. Walker had a contest on "Irish Songs" - winners were Mrs. Ber-yl Herman and Mrs. Blake Moore. A delicious lunch was served by the hostess. In keeping with St. Patrick's Day, the table was decorated with green shamrocks and a lovely floral arrangement of green & white carnations & mums. The ladies thanked Mrs. Walker for the most enjoyable evening.

EMPEY HILL

James Bell is expecting to come home from Belleville General Hospital shortly, but will not be able to work for some time.

Tyendinaga East W.I. met on Tuesday evening at the home of Mr. and Mrs. W. Johnstone with a good attendance.

Mr. and Mrs. Delbert Harvey and Wray, also Mrs. Robt. Harvey were Wednesday evening dinner guests of Mr. and Mrs. Ralph Hud-

gins. Both Ralph and Mrs. Robt. Harvey celebrated a birthday last week.

Quite a number attended the euchre party at Ebenezer Friday evening.

Sorry to report Harold Murphy is still in Belleville General Hospital.

Mrs. Don Shelley has her mother, Mrs. Ruttan with her. Mrs. Ruttan has recently returned from the Kingston General Hospital.

Let's Talk

BOWLING

A. Pynbuoy.

Hello Bowlers,

The house round five and ten pin tournaments were completed at the lanes for the Bowl-O-Pri-

ze event that was sponsored by B.O.A.C. last weekend. Congratulations go to Calvin Loney, president of the Men's Ten Pin league rolling a 621 triple to take first place. The second spot goes to Mary O'Neil of the ladies ten pin league, with a 610 triple and Linda Prue who also bowls in the ladies league picked up the third spot with a few pins short of the 600 mark. In the five section of this tournament, Bernice Maracle who bowls with the T.B.L. league had a wonderful triple of 927 to take the top spot by a good big margin over the rest of the bowlers.

Upon checking with Ernie, the triple is one of the best that has been bowled since this type of tournament was offered the bowling public many years ago. Bernice, you did a good job. Myrle MacDonald of the Dizzy Dames League rolled in the second spot with 842. Allan McLaughlin of the Saturday niters league placed 3rd and rolled the highest single of the entire tournament - a 312 and with a single like that, a bowler is not leaving too many open frames. Next in line, Dorothy Barclay, Vi Wilson both of the Dizzy Dames league, Blanche Duff of the Sat. Nitters and Judy Losee, also of the Dizzy Dames league.

So there you have the winners and also you have a part answer to the question "Are ladies better bowlers than the male species?" So men bowlers, you better thank Cal Loney and Allan McLaughlin for holding up the male part of the question on your behalf. Would it not be something if the men were left entirely behind? Man oh man would the ladies really have something to talk about. Ten per cent of the entire entry stated above will now enter the region finals and the bowlers will be notified by mail as to the date, place and time this event will take place. So to all of you, (the winners) from all of us, Good Bowling and Good Luck in this next and final round of the tournament.

We may have a small six lane house in comparison to some towns and cities, but we do have a large percentage of bowling champions in this area, who have put our town on the map sort of, in the wonderful world of bowling and again the ladies are doing more than their fair share. This past weekend our ladies Legion team of 5 pin bowlers won the Zone & district championship and will now compete in the Ontario Regional

Finals which will be bowled in Oshawa on April 4th. The Zone championship team of Vivian Brant Kath Fraser, Betty Brant, Noreen Hubble, Edith Sharpe, Wilma Tinney and Mary Tompkins are congratulated on their very fine effort and are worthy champions. Well done ladies, may you all continue to tumble the pins in this next match, the Regional Finals. Good Luck.

Elsewhere in this issue is a photo of the Baz auto team, winners of the 4th Corby Tournament 1970.

The race is on in the T.B.L. League and it looks like the low and order of the league will not catch the Fugitives who have 113 points to put them well in front and if they continue their torrid pace, they will not have to steal the championship silverware they will just take it. However, the Good Guys team are right behind with 99 points and they may well take over, as a few weeks are remaining in the league schedule and the Indians who have 90 pts. may just turn the trick and sort of slide into the top position come play off time. Anyway, it will be interesting to watch. The

Goners have 83 pts. Lil's Gang 68 and the Rats 65. Pat Maracle took top honours with a 368 -841 triple while Phyllis Green rolled the best triple for the ladies with a 726 & Lillian Brant had a nice 321 single. Here are some of the top pin getters and their averages for the league: Carman Brant 195, Lillian Brant 192, Albert Maracle 211, Bennett Brant 211, Audrey Scero 192, Don Brant 216, Norma Maracle 190, Laverne Maracle 211, Phyllis Green 196, Ron Maracle 210, Pat Maracle 212.

A new wrinkle in bowling was noticed on the poster in the lanes the other day, it is a team triple. Yes you are right a team of three instead of the regular five or six players. It is for the Molson Annual tournament that is held in the Towne Bowl in the Waterloo-Kit chener area. Could prove very interesting and the money is fair. This is for five pins only.

Well, we'll see you next week. A. Pynbuoy.

DESERONTO 396-2310

Marysville C.W.L.

The meeting of the Marysville C.W.L. was held in Holy Name of Mary School on March 9th. Mrs. Don McLaren opened the meeting with prayer.

The members voted in favour of sending \$10.00 to the League of the Sacred Heart. This program may be heard on Sunday morning at 7 over Kingston Station. There is to be a meeting of the chairmen of the different committees on Wednesday, March 18th to prepare the report forms; each member to hand in a report of the ways she has helped others during the past year.

The President thanked Mrs. Kenneth Haight and Mrs. Jack Murphy for completing a quilt for the bazaar and others who helped in this project.

Each member was asked to write a letter to her federal member of Parliament in support of the Social Action Study program on poverty adopted at the national convention.

The 4-H club unit "Focus on Fitness" is being sponsored by the C.W.L. and 6 girls are taking the course.

The St. Patrick's Dance will be held on March 20th in the hall. Other dances are also planned to follow. The members were reminded of the Bazaar at the Read Hall on May 2nd, also the cancer forum in Nanapanee, March 17th in Nanapanee Collegiate.

Rev. W.A. Dwyer introduced the guest speaker, Mr. Michael Mahoney of the Drug Addiction Centre, Ontario Hospital, Kingston. His talk was very enlightening, as he explained the source and abuse of drugs, the poppy source of hard drugs is grown by the iron curtain countries. He also pointed out that the government in those countries will not allow their youth to use these drugs - drugs that our youth are using in this area. Does this not point up their potential danger to this and future generations?

If marijuana were legalized it would be a terrible mistake as the hazards and its being addictive has not been proven and it could not be completely assessed for at least a follow-up of from 5 to 10 years. But the stronger drugs and their effects are known only too well - their hallucinatory power, the increased dependency, the personality changes, the need for stronger and stronger doses, the altering of the body as well as the mind and of course death to so many who start down that road to addiction. Young people are led to believe that the effects will be heaven, but it turns out to be hell instead unless they can get help and foundation again in society... if of course the damage is not already permanent.

The problem rests with the parents to a great extent being too permissive, too silent and not accepting our God-given moral responsibility to educate our children to accept their role in the world, teaching them to depend on this source of all strength God. Mr. Mahoney suggested we write to our elected representatives and let them know our feelings on the issues so vital to the future generations.

Mrs. Gerard Forestier thanked Mr. Mahoney for bringing us up to date on this all important problem.

GUIDERS ATTEND SILVER JUBILEE DINNER

Deseronto Brownies and Girl Guides and their leaders, were guests at the Silver Jubilee Dinner held at Napanee High school on Saturday, March 21 st. The guiders attending from here were Mrs. Vernon Boomhour, Mrs. Glen Toppings, Mrs. Jim Gaylord, Miss Janice Hearn, Mrs. Howard VanVlack and Mrs. J. A. Morden.

Guest speaker for this special occasion was Miss H.R. Creighton, Deputy Chief Commissioner from Lundenburg, N.S.

Each company of the Napanee Guides and Brownies put on a different program of entertainment, with the Rangers model - ling guiding uniforms of the past and present. On display was a doll collection - these dolls, dressed in guiding uniforms from every country were made by Gold Cord Guides in the Quinte area, under the direction of Mrs. A. M. Haig. There were also native dolls, made by the brownies to complement their heritage dance.

The 3rd guide company were responsible for making the name tags, and the 2nd guide co. for the table decorations. The Rangers, assisted by the L.A. Assoc. served the meal to over 300 people.

The guest speaker was presented with a wooden tray made by Gibbards.

DESERONTO HOCKEY TEAM

Series All Tied at 1 Game Each After Playing " 7 " Games ??
DESERONTO vs MILLHAVEN

The above statement may be a little ridiculous, but that 's the way hockey is played sometimes. There were so many protests lodged by each team during the first five games that it was decided that the series should start all over, and the games before would not count.

So over it did start with the first game on Thursday, March 18th, which Deseronto lost I am sorry to say, by a score of 5 to 4, with only 30 seconds left in the first overtime period. This was by

no means Maurice Kimmitt 's fault who played a good game in goal for Deseronto. The defence was very slow in clearing the puck from their own end all night. As for the rest of the team, I thought you were afraid of the other team. Except for Dennis Vick, who waded right in with elbows high, you will just have to try and not make it so obvious. Dennis, maybe you can stay out of the penalty box and on the ice.

The second game was a far different story - Deseronto came on like Gang Busters. The game was only a few minutes old and Deseronto led by 3 goals. At the end of one period the score was 4 to 0 and at the end of the second period, the score stood at 6 to 1 for Deseronto.

Deseronto 's players played a wonderful game, they were hitting the other team and checking them right into the ice, which is what they were Not doing in the first game.

The referee, to my way of thinking, seemed to only see the infractions that Deseronto players made, but always seemed to be looking the other way when Millhaven did the very same thing.

He is either very near sighted or he forgot to read his rule book.

Back to live action in the 3rd period, Deseronto scored twice more, with Deseronto Bill Baldwin putting one by the Millhaven goalie from the blue line while the goalie was taking a nap - at least he appeared to be, he never moved till they picked it out of the net. The final score was Deseronto 8, Millhaven 1.

We may have a protest of too many goals in one game!

If you Deseronto fans want to see a good game of hockey, come to Napanee arena on Thursday, March 26th at 7 p.m. Admission is only 50 ¢. If you have no way call me at 396-2236 for a ride.

Deseronto fans, come out and support your hockey team - they need your support. If you don't play a sport, see one.

Del Wannamaker

St. Mark's A.C.W.

The newly elected executive of St. Mark's Anglican Church Evening A.C.W. assumed their duties at the regular monthly meeting in the Parish Hall on Monday March 18th with all but one of the members present.

The President, Mrs. Reg. Batt presented the members with an outline of the plans for the year ahead. These plans include a Rummage Sale, Bake Sale, Pot Luck Supper, Euchre Party and a Christmas Bazaar.

A Rummage Sale is to be held on Wednesday, April 22nd at the Lion's Hall, during which coffee and muffins will be sold.

During the evening an Auction Sale for the members was held. The Rev. John Neal, who acted as auctioneer, conducted this duty in a most entertaining and successful manner.

Afterwards a social hour was enjoyed over a delicious luncheon served by our hostesses for the month, Mrs. Robt. Tucker and Mrs. John McGillivray.

The next regular meeting will be held on April 20th.

Loyalist College Policy Statement

A policy of complete integration of college programs and adult retraining courses has been adopted by Loyalist College Board of Governors, Chairman Frank Rabel of Frankford announced following a special meeting at the College last Thursday night.

" In adopting this approach we are convinced we are following a course that is in the best interests of the College and the entire community which Loyalist serves", Mr. Rabel said.

The meeting was called as a caucus of the Board to discuss in detail implications of bringing the OMR operation totally within the College as soon as possible. The target date is the beginning of the fall college term in Sept.

Mr. Rabel gave four major reasons for the Board's decision on policy as follows:

(1) economic - the move will have a most beneficial effect on the overall teacher-student ratio and make possible the most effective utilization of teaching staff in both areas of continuing education.

(2) It will enable the College to allocate available financial resources in a way that will provide the best campus facilities for all students in the planned phased development of the campus.

(3) It will mean a common policy will be followed in all areas of

Letter to the Editor

Principals' Association Area 3,
The Hastings County Board of Education,
c/o Queen Mary School,
Isabel Street,
Belleville, Ontario.
March 17, 1970.

Dear Sir,

In the light of the present criticism of the Hastings County Board of Education and in particular the criticism of the Director Mr. E. Runacres, we would like to make the following statement.

We feel that the appointment of Mr. Runacres by the Hastings County Board of Education has been a positive step forward for the improvement and advancement of education in this County.

Since his appointment, his involvement with teaching staff and pupils, his dedication to the profession, and his willingness to listen to all suggestions have made him an invaluable member of this community.

Under his capable leadership, the educational system has made great forward strides. The citizens of Hastings County can be assured that they soon will have one of the best systems in Ontario, a system planned and dedicated to the growth and development of their children.

We, the principals of Area 3 with the citizens of Hastings County to know that we wholeheartedly support his many plans, endeavours and accomplishments in the educational fields.

R. W. Caswell,
Secretary.

LOYALIST COLLEGE POLICY STATEMENT

Con'd From Page One
college responsibilities, and
(4) It will enable the College to achieve a high level of efficiency in its administrative operations.

Prior to adopting this new policy for the continuing development of Loyalist, The Board met with senior academic and administrative officers of the College. The Board also heard the views of officials of the applied arts and technology branch of the Department of Education which administers the Provincial Legislation under which Ontario's community colleges operate. The 20 colleges offer diploma and certificate programs in post secondary education and under the policy adopted by the Loyalist Board, Loyalist will be moving toward complete integration of students included in the OMRR which has operated in Belleville for several years prior to The College being established. Under this program now being continued under the general authority of the applied arts and technology branch in colleges, such as Loyalist, upgrading and

skill courses are provided for adults who wish to improve their educational qualifications in order to prepare themselves for better paying jobs.

"The preparations of young people and adults for positions in which they can earn a better living and advance according to their individual abilities is the basic purpose for which The Colleges were established," said Mr. Rabel. "By following the policy which The Board has adopted we are confident that Loyalist will be in a position to fully meet its responsibilities in the Quinte region."

Tyendinaga East W.I.

Tyendinaga East Womens' Institute met at the home of Mrs. W. Johnson, Selby, the evening of March 10, 1970, with an attendance of 14 members and 4 visitors. Mrs. R. Stafford, Selby, vice-president opened the meeting in the usual way and the roll call was answered with "A Problem I would like to see Resolved."

The Financial Statement showed a balance of \$ 74.97. It was moved by Mrs. D. Harvey and seconded by Miss G. Mowers that we do not have a short course this year. Moved by Mrs. C. Akey seconded by Mrs. R. Tucker that we have a Turkey supper at the April meeting. Mrs. W. Shelley invited the ladies to her new home for the June meeting. The Hastings East district annual will be held on May 6th at Empey Hill, and the theme will be "Forward into the Seventies." Moved by Miss G. Mowers, sec. Mrs. C. Russell that the president and the present social committee plan the menu for the dinner at the annual. Mrs. W. Johnson and Mrs. D. Harvey will look after the registration. It was moved by Mrs. G. Kimmerley, sec. by Mrs. R. Tucker that the Branch directors act as nominating committee. Miss G. Mowers gave interesting facts about the District Institute.

Mrs. D. Harvey gave as her topic "Resolutions - Passed and Rejected" giving a resume of the different resolutions that the Womens' Institutes have been interested in, in the past.

The program was in the hands of the grandmothers and was as follows:

Reading - Take Time for 10 things
Mrs. R. Tucker; Contest - Shakespear - Mrs. C. Akey, won by Miss Brenda Johnson. Reading - Snowplane Ride - Mrs. R. Harvey
Contest - Draw a picture of your Easter outfit - Mrs. W. Shelley.
Reading - You Won't Get Anywhere until You Stick your Head Out - Mrs. R. Stafford. Reading Modern Grammar - Mrs. D. Shelley. Reading - No - No shackled the Teachers - Mrs. D. Harvey.

A miscellaneous sale was conducted and the meeting closed with the Queen followed by the Institute Grace. Lunch was served by the hostess assisted by the North Group, who were thanked by Mrs. H. Kimmerly, as were all who took part in the meeting.

March 8th to March 14, 1970.
Belleville Detachment.

Last week officers of the Belleville Detachment of the Ontario Provincial Police patrolled a total of 8,237 miles of Provincial Highways and other roads. This was while working a total of 1,001 duty hours.

2 thefts, and 27 miscellaneous occurrences were reported and investigated.

6 motor vehicle collisions were reported and investigated. All of these collisions involved property damage only.

47 charges were preferred for breaches of various Federal and Provincial Statutes.

56 warnings were issued for

minor infractions under the provisions of the Highway Traffic Act.

The Belleville Detachment 'Accident Prevention Officer gave 10 safety talks to a total of 316 children.

Officers of this Detachment spent a total of 32 hours engaged in Court activities.

There were 54 convictions registered in Provincial Judge's Court.

WARNING TO HOME OWNERS

It will soon be time to start painting the outside of your home. If you use an aluminum ladder - check the proximity of all hydro wires before you put the ladder up. Also be watching for hydro wires when putting up your T.V. antenna. Warn your children about those wires when flying kites etc. DON'T HAVE A "SHOCKING" ACCIDENT.

Mrs. Robt. Harvey and Delbert called on Mr. and Mrs. Harold Grooms, Dorland on Sunday after noon.

A number from here attended the Cancer Forum held in Napanee Secondary School Tuesday evening.

Kingsford Guild met Wednesday evening at the Rectory, Deseronto for their meeting.

Mr. and Mrs. Claude Nugent and Mr. and Mrs. Robt. Tucker and Mrs. Cora Price were Tuesday evening guests of Mrs. Bruce Kimmerly, Napanee.

Mrs. Robt. Harvey spent Wednesday with Mrs. Fred Keyworth, Napanee.

Deep Frying Facts

Deep fried foods are quick and delicious if you follow these guides from home economists, Macdonald Institute, University of Guelph.

Equipment --

Fryer: Use a straight-sided saucepan that is light and easily handled, with a removable wire basket for lowering food into fat. With this type of pan, use a deep fat thermometer to determine the exact temperature of fat or oil.

Automatic Deep Fryer: An electric fryer simplifies frying because it automatically maintains the desired temperature. In using it, follow the manufacturer's directions and timetable.

Fat or Salad Oil: Use any shortening or salad oil except butter, margarine, or olive oil.

Method --

Use enough fat to cover food completely but leave at least 4 inches between surface of fat and top of kettle, so fat will not bubble over during frying.

Gradually heat fat to desired temperature. If you do not have a thermometer, use this bread test: drop a 1-inch cube of day-old bread into hot fat, then note the time it takes to brown. At 370°F, it will brown in 60 seconds; at 375°F, in 40 seconds; at 390°F, in 20 seconds.

When fat reaches the desired temperature, lower food gently into heated fat using wire basket, tongs or spoon. Do not fry too much food at one time, as this

reduces the temperature so that food becomes greasy-soaked. Adjust heat to maintain temperature during cooking.

When fried food is done, remove to paper towels to absorb excess fat from surface. If fried food must be kept hot, set in a 300°F oven. Always bring fat back to the desired temperature before adding second batch. Skim off loose food particles to prevent smoking.

After each use, cool fat a little, then pour through a strainer lined with cheesecloth, into a metal container. Cool, cover, and store in the refrigerator.

READ C.W.L.

The Tuesday meeting of the Read C.W.L. was held at St. Mary's School following Mass.

Father Ferguson opened the meeting with the league prayer with the Pres., Mrs. Wm. Buckley presiding. The minutes of the last meeting were read by Mrs. Tom Callaghan and the correspondence was read. A donation will be sent to the Sacred Heart Programme. Members were asked to keep on saving their nylons, labels, and keep on knitting quilt squares. All members were in favour of holding a euchre party at a later date. Four members attended the World Day of Prayer held at Melrose Church.

The finalization of the Spring Tea and Bazaar were discussed.

All pull tickets are to be turned in before April 28th. The Bazaar will be held on May 2, 1970 from 2 p.m. to 5 p.m.

The Annual meeting will be held Sunday April 26th at 6:30 p.m. It will consist of a Pot Luck Supper. Members are asked to bring their donation to Development and Peace in a plain envelope.

Father Ferguson closed the meeting with the league prayer and a lovely lunch was served by the ladies of the 7th concession.

BOWLING

A. Pynbuay.

Hi Bowlers,
Predicting the winners of the various leagues is like trying to

predict when we will have good spring weather. This past winter has been long and tough to say the least, and the competition in many leagues has been long and tough and the winners cannot be predicted until the last league game on the schedule has been played. Most teams just will not give up. Of course there is the odd team that cannot be deprived from getting the silverware, but not too many and that is the way it should be.

In the Marysville mixed league the Tigers are out front with 106. The FireHouse Five and the Gang Busters are second with 85 each, Dusters 82, Hill Billies 69 and the Stampedeers 77 pts. This situation could change as there are 3 or 4 nights left on the schedule. Lavina Lalonde topped all bowlers with a single of 312. She had head pin trouble in the next game but did come up with a good triple of 663. Bernie O' Sullivan did not hit the high single but did roll a 286 and then proceeded to settle down to turn in a nice 721 triple.

In the Read mixed 5 pin league Irene Sherman topped the lady bowlers in the single division with a 258. Rosemary Roach bowled the hi triple and Father Hamilton had a nice game of 307. Roy McLaren won the triple of the evening with a 678. Team standings - Strikers 118, Wizards 97, Blow-outs 93, Camaros 78, Tigers 75, Knock-outs 86 with four nights to play and if the Wizards throw the Strikers a couple of curves, well maybe the league leadership will change.

The annual Saw-Off between these two leagues will take place here on April 26 at 8 p.m. Read League has in the past lost to the Marysville League more times than they have won, but IF, and we mean a big "if", Gerald Brennan, Gerald Walsh, Roy McLaren and the many other top bowlers do not get nervous, then maybe Read will win "The Old Wooden Pin" of Five Pin Bowling supremacy. Anyway drop in and cheer your favourite league on.

In the Dizzy Dames League, the Sexy Six still maintain the lead by 15 pts, however the Happy Gang and the Slowpokes still have a chance as they are tied for the second spot with 90 points each. The top pinners for last wk. were Myrle MacDonald 285, Marg Gilbert 269, Noreen Hubble 277-673, Billie Sherman, 647 and

Del Wan 688. Nice Bowling Gals.

In the men's commercial league, Reg. Vick had one of the season's hi singles rolling a nice 343 and Fred Bentley had a 765 triple. The Ideal Venders have 137 pts. to top the league with the Napanee Aces next at 130 pts. Canada Optical 120, the Black Hawks 74 1/2, Picton 72 and Chuck's Lunch 66 1/2.

In the T. B. L. League Lillian Brant's 266 single - 710 triple proved to be the best for the ladies of the league and Pres. Al Maracle had a good night with 300-733 to top the male side of the league. The Fugitives seemingly cannot be caught this season, as they head the league with 115. Next in line are the Good Guys with 104 pts and the Indians are 3rd with 95.

Phyllis Thompson 189 and Carl Tinney 233 are the top average bowlers in the Friendship League Standings: Cyclones 23, Hurricanes 22, Hippies 18, Evereadies 21, Stampedeers 14 and Hopetuls 7. A Word of Caution: Banquet time is just around the corner so be sure to have all your plans made in time so no one will be disappointed. Last week the Friendship League had a St. Patrick's

Bowling Party at the lanes. Fun was the name of the game and this league did have, thanks to the convener, Shirley Layfield, and her committee.

Bowlers - Have a Happy Easter A. Pynbuay
P.S. The Lanes will be closed on Good Friday and Easter Sunday.

Credit Essential In Business

by T. Wayne Martin.

Credit is now considered as one of the tools used in business but at one time it was felt that it was bad to borrow. Credit is so important in our lives today, that using the right amount in the right way at the right time can determine success. With the concern today about high interest rates, and the inflationary trends we should understand fully when and where credit should be used, and what credit is actually costing us.

Many people do not select the correct repayment schedule on a loan. If a loan is paid too rapidly, a business may run into difficulty when insufficient operating capital is available at a later date. Similarly, the individual who has committed too large a part of his salary to repaying credit may find himself in difficulty if an unexpected emergency occurs requiring extra money. This is all too often the case where illness occurs.

The actual cost of credit is also important. Consumer protection legislation requires that the interest rate be revealed to the borrower. However, the interest rate quoted can mean two different things, depending on how it's applied. Simple or actual interest is charged on the unpaid balance. Add-on or installment interest is added to the purchase price and you pay interest on the original amount of the loan throughout the repayment period. In this case, after the first payment you are paying interest on money already paid back. Add-on or installment interest almost doubles the cost of credit.

For example on a \$1,200.00 loan repayable in 12 monthly payments, 7% simple interest totals \$45.50. The 7% add-on interest totals \$84.00 or expressed in terms of simple interest this now becomes 12.9%. Service charges insurance on a loan all add to the cost of the loan. The following formula gives an accurate answer on the actual interest rate for short and intermediate-term loans with equal, evenly-spaced payments.

Actual Interest Rate =

Total Finance Charges $\times$
Original Loan

Total Number of Payments $\times$
Total Number of Years

1 $\times$ 100
Total No. of Payments + 1

FASHION . . FOR MEN

The latest revolution in men's wear is the tailored knit. Since 1968 the knitted summer suits for men have been on the market and are rapidly gaining in popularity.

Knits are not just for women. If you are not wearing the knit suit you would not know that it was a knitted fabric. You cannot tell by look or touch.

However, the advantages of the knitted tailored suit make it well worth your while to try one. The difference in comfort (built in give) cannot be realized until you try it on yourself. It gives freedom from binding, especially at the knees, and is notably easier to reach into pockets for change.

Knits are high on performance as well. They look and fit better for longer periods of time and because of their elasticity, they move with the body. Double-knit suits have 15 to 25% stretch and complete recovery which means

no bag or sag at the knees. These suits resist wrinkles, keep a crease, breathe well, move with the body, wear like air and perform wonderfully. Because of their crease resistance, they are an excellent companion for travel.
